Research Funding Workshops

2014-2015 Schedule
Fulbright Scholar Program – Faculty Opportunities & the Center for International Studies at Kean
Presented by: Bill McShane, Program Officer, Fulbright Scholar Program, Yaruby Petit-Frere and Dr. Melda Yildiz, Kean University
Tuesday, September 30
UC 226

Learn about teaching and research opportunities in more than 125 countries that are available to faculty. Yaruby Petit-Frere will describe how the Center for International Studies works with faculty. Melda Yildiz will share her personal experiences.

Clinton Global Initiative University Network (tentative)
(TBD)
Wednesday, October 8
UC 226

The workshop will describe the CGI U process; how students apply to attend the CGI U annual meeting; and, seed funding available for student projects and for travel funding.

Education Research, Program, and Professional Development Funding
Presented by: ORSP
Tuesday, October 21
UC 226

This workshop will present a guide to “who funds what” in education and ideas for creating a grant opportunity calendar.

Science Research and Program Funding
Presented by: ORSP
Wednesday, November 5
UC 226

Research funding programs from NSF, especially the major crosscutting programs, and the major foundations that focus on science research (not health-related) will be covered.

Health and Wellness Research and Program Funding
Tuesday, November 18
12:30 PM – 1:30 PM
UC 226

Presented by: ORSP

Topics include funding programs from NIH, HRSA, SAMHSA, and DOJ. Some of the major foundations that support health research will also be covered.

Visual and Performing Arts, Media, and Digital Humanities Funding
Presented by: ORSP
Tuesday, February 10
UC 226

This workshop will present the major ongoing funding programs available through NEH and NEA as well as major foundations that fund Digital Humanities, Arts, and Media.

Grant Writing Workshop - Introductory and Advanced (2 sessions)
Presented by: Dr. Robert Porter, University of Tennessee (Tentative)
Thursday March 5 and Friday, March 6
UC 226

The introductory workshop covers basic principles of good grant writing and common pitfalls that can lead to early rejection of good ideas. The advanced workshop focuses on the complex requirements of an NIH grant proposal.

Research Integrity
Presented by: ORSP
Wednesday, March 25
UC 226

This workshop presents current guidelines and regulatory requirements for the responsible and ethical conduct of research. CITI course modules will be reviewed.

Organizations and Groups - Research and Evaluation Funding
Presented by: ORSP
Wednesday, April 8
UC 226

Research funding available from NSF, SHRM, and other sources for studying organizations and groups and funding that supports research, policy analysis and evaluation projects will be covered.

Grants Management
Presented by: ORSP
Tuesday, May 5
UC 226

This workshop will cover all aspects of grant budgeting and administration.
